Scaleklean™ Scale Remover

Smart, environmentally safe way to de-lime equipment

ScaleKleen™

The Safer, Environmentally Responsible Scale Remover

SAFER. Organic formulation destroys scale without noxious fumes, ruined clothing or burns.
ENVIRONMENTALLY RESPONSIBLE. All natural, non-toxic, biodegradable. Contains no phosphates. Sewer system disposable.

CONVENIENT. Solid granules are easy to use. Just mix, pour, and watch it work.

POWERFUL. Activated citric acid, the key ingredient in ScaleKleen™, has almost three times the scale dissolving power of ordinary citric acid.

EQUIPMENT-FRIENDLY. When used according to directions, ScaleKleen™ won't harm the rubber, plastic or copper parts in your equipment.

SEGURO. Su fórmula orgánica destruye el sarro sin producir vapores tóxicos y sin dañar la ropa y piel.
ECOLÓGICO. Es completamente natural, no contiene fosfatos ni sustancias tóxicas y es biodegradable. Además, puede desecharse en el drenaje sin peligro.

COMODO. Debido a que sus gránulos sólidos son fáciles de usar, sólo mézclelo, viértalo y vea como trabaja.

PODEROSO. El ácido cítrico activado, su ingrediente clave, es tres veces más potente para disolver el sarro que el ácido cítrico común.

AMABLE CON SU EQUIPO. Si sigue las instrucciones indicadas no dañará las piezas frágiles de goma, plástico o cobre de sus aparatos.

SÉCURITAIRE. Formule organique qui dissout le tartre sans dégager d'émanations nocives, sans ruiner les tissus et sans danger de brûler. Non-toxique.
ÉCOLOGIQUE. Produit tout naturel, non-toxique, biodégradable. Ne contient pas de polyphosphate. Peut être évacué dans les égouts.

PRATIQUE. Les granules sont facile à utiliser. Mélangez, versez... et regardez agir.

PUISSANT. Acide citrique activé, l'ingrédient clé du ScaleKleen™, presque trois fois plus efficace pour détruire le calcaire que l'acide citrique ordinaire.

DOUX POUR L'ÉQUIPEMENT. Lorsqu'utilisé selon le mode d'emploi, ScaleKleen™ ne causera aucun dommage au caoutchouc, au plastique ou aux pièces en cuivre de votre équipement.

EVERPURE Net 7 oz / 200 g e

English/French//Spanish: EV9798-33

BENEFITS

Improved non-clumping formula

Improved non-discoloring packaging with easy to read date codes

Restores equipment to peak operating efficiency by removing scale build-up

Quickly removes limescale from coffee brewers

Ideal for deliming steam and warewashing equipment

Great for OCS applications

Non-toxic, safer to skin and won't burn clothing like conventional deliming acids

Sewer system disposable, so you can pour it down the drain

When used with Everpure's JT cartridge, Kleensteam®, or HFC-10, deliming is accomplished without equipment disassembly

INSTALLATION TIPS

The preferred way to introduce Scaleklean™ into all water-using equipment through an existing Everpure head is with the "JT" Flushing/Sanitizing Cartridge

4JT Cartridge (EV9608-00)

2JT Cartridge (EV9608-10)

OPERATION TIPS

Product must be used according to the use instructions stated on the packaging

Material Safety Data Sheets are available upon request

APPLICATION/SIZING

7.0 oz. (200 grams) 24 Individually Wrapped Packets to a case

Scalekleen™ Scale Remover

SPECIFICATIONS

Refer to Material Safety Data Sheet. Call
Everpure Technical Service for copy of MSDS.

Scalekleen is registered in accordance to
REACH 1907/2006/EC, Article 31.

WARRANTY

Everpure water treatment systems (excluding replaceable elements) are covered by a limited warranty against defects in material and workmanship for a period of five years after date of purchase. Everpure replaceable elements (filter cartridges and water treatment cartridges) are covered by a limited warranty against defects in material and workmanship for a period of one year after date of purchase. See printed warranty for details. Everpure will provide a copy of the warranty upon request.
