## INTRODUCING NEW GINGER LEMONGRASS SYRUP

Our latest flavor innovation combines the zesty, aromatic profile of fresh ginger with the cool, citrusy taste of lemongrass to create a fresh take on gingerale. Made with pure cane sugar and natural flavors, this new favorite allows you to offer a handcrafted gingerale with a modern twist.

In 1925, Torani introduce the Italian Soda to cafes. Today, we're reimagining the classics with new vintage modern soda flavors. Packaged in our heritage label as a nod to our beginnings, this syrup commemorates our 90th year.
