Aqua Dam Floor Mat Product Specifications

4.0 Use

This is an ideal scraper mat to use in heavy traffic areas. Raised nitrile rubber edging retains water and dirt.

5.0 Construction

The **Aqua Dam's** rugged bi-level construction combines a heavy duty polypropylene surface with a durable rubber-cleated backing. Raised rubber border.

6.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

7.0 Product Care

Daily vacuuming will remove top soil. Hand wash or remove stains with a water-based carpet shampoo. To prolong the life of this product it may be periodically washed using a hose with a pressure spray nozzle to remove soil. Position the mat in an inclined position to drain dry. Do not wash mat in tumble-type washing machine.
