## Notes & Details

Easily serve up your signature draft beer anywhere with this CaterGator JB65WH white 2 faucet 68 Qt. insulated jockey box. Perfect for beer festivals, fairs, tailgates, and other outdoor events, this convenient mobile draft beer system doesn't require any electrical power to function and is an ideal alternative to a hard-to-transport outdoor kegerator. The unit includes (2) 120' stainless steel coils keep your beer extra cold while dispensing to ensure optimal taste and its length is great for handling continuous pouring at your large events. Its 3/8" line connection is easy to set up for quick and convenient service.

This jockey box features 2 draft faucets that allow you to dispense multiple offerings at once. This unit boasts a triple insulated design to ensure the ice bath stays cold and features a layer of high-density polyethylene to make it virtually indestructible. Plus, the rigid, white exterior provides the durability you need to keep up your many trips and remote events.

For ease of use, this box features a rope handle on each side for effortless transport from destination to destination. After use, the box is easy to wash thanks to a side plug that drains the contents to shorten clean up time. For added convenience, the lid features a 24" ruler engraved along its edge, 2 built-in cup holders, and 2 bottle openers, which function as metal reinforced padlock slots when you want extra security. Wherever the party and whatever the menu, this jockey box provides the holding power, durability, and convenience that you need and want.
