CONSISTENTLY SIZED MEDIUM LUMPS

AWARD-WINNING, TASTE-ENHANCING FLAVOR PROFILE  
AVAILABLE IN MULTIPLE PACKAGING SIZES & MATERIALS  
PREMIUM LUMP CHARCOAL AT AFFORDABLE PRICE POINTS

*Jealous Devil is a superior charcoal. Its long burn time and higher than average temperature are some of the reasons we love it. As a chef, I appreciate the absence of ash that comes off of the charcoal leading to really clean flavors, whether you're cooking meat, game birds or seafood.*
