DUAL LAMP FREE STANDING DLM/200/ST

Description:

Dual mounted warmers in nine distinctive styles to match any décor. Clean "modern " design with no exposed fasteners. All fixtures are constructed using the finest materials and components. Lamp body and switch holder are constructed from heavy gauge spun Aluminum. Standard finishes include Polished Chrome (PC), Stainless (SS), Brass (BR), Black (B), and Smoked Copper (SC). Specialty finishes include True Copper (BC) and custom powder coats. All finishes are non-tarnishing, require no polishing and are easy to clean. All internal components including lamp socket and wiring are high temperature rated (200°C). Each shade style is available with or without a switch. Switch is standard on all models.

Accessories(Must be ordered separately)

- 250 watt shatterproof lamp
-

Standard Features:

- Teflon coated shatterproof light bulb.
- Multiple switch options available.
- Custom options available for bases. Includes sizes and finishes.
