

FIESTA TABLEWARE

an american icon™

One of the most collected dinnerware products in the world, the Fiesta® line was designed by Frederick Hurten Rhead and introduced to the American public by The Homer Laughlin China Company® in 1936. A.V. Bleininger brought the bright hues to the forefront, further popularizing the line. Introduced initially in just five colors, Fiesta was an unprecedented sensation. Today, Fiesta continues to add unparalleled character and vibrance to every table. Fifteen bold colors complement each other beautifully and can be mixed and matched with different shapes to ramp up or dial down the color range to suit your unique presentation or culinary whims. Fiesta's classic—and now famous—Art Deco design, with its concentric rings and stunning colors, making it the quintessential statement of retro American style.

available in 15 colors

Fifteen bold colors complement each other beautifully and can be mixed and matched with different shapes. Fiesta® is festive and fun—and a conversation starter that makes meals memorable.

Fiesta items codes can be created by adding the color code to the end of the pattern code.
