

# CLASSIC ROLLING PINS

Fletcher's Mill Rolling Pins are crafted in Maine from solid rock maple, and are fitted with steel ball bearings to ensure a lifetime of effortless rolling - the perfect tool for both the home baker and the professional chef.

Classic Rolling Pins are available in a 10" 12", 15" and 18" finished barrel length (does not include handles). Our 15" is also available with an unfinished barrel. The 10" Classic has a 2.25" diameter barrel while the others have a 2.75" diameter barrel.

10" Classic Rolling Pin 210RP12  
 12" Classic Rolling Pin 312RP12  
 12" Classic Rolling Pin Seafoam Handles  
 12" Classic Rolling Pin Cinnabar Handles  
 15" Classic Rolling Pin 315RP12 | 315RPUF  
 18" Classic Rolling Pin 318RP12

## 10" Rolling Pin

Featuring a large, 2.75" diameter finished barrel, this 10" rolling pin allows for more control while keeping the weight and feel of a larger pin.

# SPECIALTY ROLLING PINS

## French Pin

This lightweight maple pin is the preferred tool of chefs for rolling out thin pie crust. Tapered from the middle out to both ends, it permits easy rotation around the dough for rolling out perfect circles.

French Pin

## Bakery Pin

Ideal for all-purpose use, this lightweight maple cylinder is a favorite of chefs everywhere. Perfect for jobs like rolling out individual pastry squares or cookie dough. The 2" diameter pin keeps hands close to the dough for detailed work.

Bakery Pin

## Children's Rolling Pin

An actual working rolling pin, our 7" Children's Rolling Pin is the perfect size for your young helper at home, or for your small jobs, too. Made from New England Hardwood. Clean with damp cloth, wipe dry.
