STAINLESS STEEL ASSEMBLY

Consistently creates 1/4", 3/8", or 1/2" fries or 6-section or 8-section wedges in a fraction of the time that wedging or slicing by hand requires. You can even use this cutter to prep onions, peppers, celery, and other vegetables!

RAZOR-SHARP STAINLESS STEEL BLADES

SHORT THROW HANDLE

A short throw handle with superior engineering enhances leverage for smooth, easy cutting in just one stroke.

WITHSTANDS RIGOROUS DAILY USE

EASY MOUNTING

The sturdy legs have pre-drilled holes to make it simple to mount this unit to a table or even a wall for gravity-assisted mass production!
