SECTION CUTS

With either 4, 6, 8 or 10 section blades, these wedgers consistently create uniform slices for your facility.

RAZOR-SHARP STAINLESS STEEL BLADES

STAINLESS STEEL ASSEMBLY

These wedgers cut cleanly and precisely in one swift, fluid motion. Simply press down on the push block and watch as your products are smoothly transformed into sections.

WITHSTANDS RIGOROUS DAILY USE

NON SKID FEET

For stability, the four rubber feet keep the unit from sliding during operation.
