GDM-72F-HC~TSL01

- The world's #1 manufacturer of glass door merchandisers.
- Designed using the highest quality materials and components to provide the user with an attractive, point of purchase merchandiser that brilliantly displays frozen food and ice cream, resulting in high impulse sales.
- Factory engineered, self-contained, capillary tube system using environmentally friendly R290 hydrocarbon refrigerant that has zero (0) ozone depletion potential (ODP), & three (3) global warming potential (GWP).
- High capacity, factory balanced refrigeration system that maintains -10°F (-23.3°C) temperatures. Ideal for both frozen foods and ice cream.
- Exterior - non-peel or chip white laminated vinyl durable and permanent.
- Interior - attractive, NSF approved, white aluminum interior liner with stainless steel floor.
- Self closing door. Positive seal, torsion type closure system.
- Triple pane thermal insulated glass door assemblies. White powder coated frames.
- LED interior lighting provides more even lighting throughout the cabinet. Safety shielded.
- Entire cabinet structure is foamed-in-place using a high density, polyurethane insulation that has zero ozone depletion potential (ODP) and zero global warming potential (GWP).

**Bottom mounted units feature**
- "No stoop" lower shelf to maximize product visibility
- Storage on top of cabinet.
- Easily accessible condenser coil for cleaning.

† Depth does not include 1 5/8" (42 mm) for door handles.

Unit is completely pre-wired at the factory and is ready for final connection to a single 115/208-230/60Hz single phase, 20 amp dedicated circuit.

Specifications subject to change without notice.
**STANDARD FEATURES**

**DESIGN**
- True's glass door freezers are designed with enduring quality that protects your long term investment.
- True's commitment to using the highest quality materials and oversized refrigeration systems provides the user with colder product temperatures, and lower utility costs in an attractive merchandiser that brilliantly displays frozen food and ice cream.

**REFRIGERATION SYSTEM**
- Factory engineered, self-contained, capillary tube system using environmentally friendly R290 hydrocarbon refrigerant that has zero (0) ozone depletion potential (ODP), & three (3) global warming potential (GWP).
- High capacity, factory balanced refrigeration system that maintains -10°F (-23.3°C) temperatures, ideal for both frozen foods and ice cream.
- State of the art, electronically commutated evaporator and condenser fan motors. ECM motors operate at higher peak efficiencies and move a more consistent volume of air which produces less heat, reduces energy consumption and provides greater motor reliability.
- Bottom mounted condensing unit positioned for easy maintenance. "No stoop" lower shelf maximizes visibility by raising merchandised product to higher level.
- Automatic defrost system time-initiated, temperature-terminated. Saves energy consumption and provides greater motor reliability.

**SHELVING**
- Twelve (12) adjustable, heavy duty PVC coated wire shelves 24 ¾” x 20 ¼”D (613 mm x 528 mm). Four (4) chrome plated shelf clips included per shelf.
- Shelf support pilasters made of same material as cabinet interior; shelves are adjustable on ½” (13 mm) increments.

**LIGHTING**
- LED interior lighting provides more even lighting throughout the cabinet. Safety shielded.

**MODEL FEATURES**
- Evaporator is epoxy coated to eliminate the potential of corrosion.
- See our website www.truemfg.com for latest color and sign offerings.
- Backguard and floor rack ensure optimum airflow.
- Listed under NSF-7 for the storage and/or display of packaged or bottled product.

**ELECTRICAL**
- Unit completely pre-wired at factory and ready for final connection to a single 115/208-230/60Hz single phase, 20 amp dedicated outlet.
- Unit utilizes a dual compressor system rated at 1HP each.
- Cord and plug set included.

**OPTIONAL FEATURES/ACCESSORIES**
- Upcharge and lead times may apply.

- Black exterior.
- Black aluminum interior liner with black shelving.
- Stainless interior liner.
- 6" (153 mm) standard legs.
- 6" (153 mm) seismic/flanged legs.
- 2 ½" (64 mm) diameter castors.
- 4" (102 mm) diameter castors.
- Novelty baskets.
- Additional shelves.
- Pricing strips.
