## Features

### HVRPWR™ 40V Cordless System

All new HVRPWR™ Commercial cleaning products are powered by the same 40V HVRPWR™ battery.

### 30% Lighter Weight\*

Designed for more mobility, and to be used by more people on your staff.

### Quick Pass Cleaning

Ideal combination of power and performance helps users clean more efficiently..

### Auto Stop

To eliminate unwanted "runaway" movement, Auto-Stop disengages power to the brushroll and motor when the machine is on in the upright position.

### HUSHTONE™ Two-speed motor

Hush mode for less disruption for guests. Boost mode for higher performance when and where you need it.
