

RICE DRAWER WARMER

Keeping your rice hot and at desired consistency until served

HRDW-2U-1 with rice well, utensil well and utensil pan (all standard) and accessory lid (Panasonic pot not included)

The Hatco Rice Drawer Warmer holds rice in the same pot it's prepared in, reducing pan to pan transfer time and labor.

With a digital electronic temperature control, this unit provides even heat throughout the holding cavity. With all around insulation, the drawer warmers provide excellent energy efficiency.

- Drawers accept Panasonic 23 cup rice pots. Accessory drawer adapter available for Town 30 cup pot (pots and lids not included)
- Allows one pot per drawer of cooked rice for long term holding, with the option of serving from third pot in top heated well (HDW-2U-1 only)
- Stainless steel construction, including back panel, handles the rigors of daily kitchen use
- Heavy duty drawers and drawer slides and robust telescopic drawer slides makes pan removal easy and efficient
- Stainless steel utensil well and utensil pan included with HRDW- 2U and HRDW- 2U-1 models only
- HRDW-2U-1 has adjustable t-stat with knob for optimal rice holding in the top well
- Raised beveled edge on top of HRDW-2 and HRDW-2-U models only
