

BEFORE WORK™ HAND CREAM

Before Work™ hand cream was developed specifically to help prepare the skin against water-based irritants. Use at the beginning of the day to help repel soils and make it easier to wash them away. Ideal for any application where there is frequent handwashing. Ivory opaque appearance with Mild fragrance.

Features and Benefits

- Specially developed preparation formula
- Water resistant blend of waxes and lotions that help protect the skin from irritants
- Use before work to help repel and make it easier wash away tough soils from the skin
- Opaque Ivory color with Mild scent
- Contains no silicone

Directions for Use

Wash and dry hands and arms before each application. Apply before each work period. Gently wipe off any excess. Can be removed after work period with soap and water.
