

PresentaBowls® Pro Square Bowls

Dart's PresentaBowls® Pro bowl line offers incredible versatility for users with its wide array of sizes and ability to accommodate both hot and cold food applications. Made from polypropylene, the bowls resist cracking and breaking and are fully microwaveable. The upscale appearance and crystal-like design enhances the image of food applications.

Features

Lids available in recyclable PP or PET
Check locally, may not be recycled in your area

Crystal-Like Design
Gives upscale, table-ready appearance

Microwaveable
Polypropylene base when used with polypropylene lid makes container completely microwaveable

Leak-Resistant Perimeter Seal
Keeps liquids in, reducing customer complaints

Self-Aligning Offset Opening Tabs
Lid fits no matter what direction it's applied

Stackability
Base fits snugly into recessed platform on lids for greater merchandising and stability
