

PURELL® Instant Hand Sanitizer with Biobased Content* FST™ Military Bottle

Stay healthy and mission-ready.

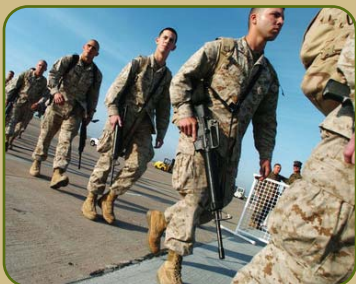

Wherever your mission takes you, germs that may cause illness will be there. Now PURELL can be too.

Chief Journalist Suzanne M. Spedighi, Courtesy of U.S. Navy

Senior Airman John Parie, Courtesy of U.S. Air Force

Product as depicted for in use demonstration purpose only.

A fist full of protection against germs that may make you sick.

PURELL® kills 99.99% of most common germs that may make you ill, in as little as 15 seconds. Use it wherever your mission takes you.

The PURELL Biobased 3 fl oz FST Military Bottle

The new standard in personal hand hygiene packaging for military personnel.

Designed for use in both tactical and non-tactical environments – where germs go, your FST goes, too.

Looks and feels like standard military equipment:

- Built tough enough for military use
- Flexible, lightweight design fits pockets or pouches
- Special side grips for easy one-handed dispensing
- Embossed, foliage green design blends with uniforms
- Low infrared signature for night (NVG) operations
- Withstands temperature extremes
- Formulated and certified to meet the ASTM standard 6866 for biobased hand sanitizers

Front

The PURELL FST bottle is part of a complete range of effective hand hygiene solutions for the military. For more information please call 1-800-321-9647 or visit www.GOJO.com

* Certified by third-party ASTM compliant test facility using the ASTM International Isotope Standard Method D 6866, in accordance with 7 CFR 2902.6(c)

The PURELL® standard, PROVEN to help.

The PURELL standard:

1. Wash your hands when they are dirty
2. Carry PURELL – at all times as part of your equipment
3. Use PURELL:
 - After using the latrine/head
 - Before touching food
 - After sneezing, blowing nose or coughing
 - After touching any contaminated surface
 - To kill germs when soap and water is not practical
4. Practice good hygiene:
 - Avoid touching eyes, nose and mouth
 - No sharing of personal items (razors, towels, clothing, etc.)
 - Limit skin-to-skin contact and scratching
 - Keep wounds covered and clean
 - Cough or sneeze into elbow, not into hands

Front

Back

Look for the PURELL® FST™ Bottle with its unique embossed low IR signature surface, rugged wedge shaped design and special side grips for one hand dispensing.

**Don't put your buddies at risk.
Stay healthy and mission ready.**

Adopt the PURELL Standard in your unit:
"Carry it. Use it. Always."
