Medication Management and Protection

## *Secure, Organize and Protect Medication from Abuse, Theft and Misuse*

For over 80 years, MMF Industries has provided innovative solutions for cash handling, security, organization and storage. The introduction of our Med-Master<sup>®</sup> Locking Medication Cases and Transport Bags, helps to ensure medications are organized and securely stored to help prevent misuse, abuse and theft.

# Locking Medication Cases

Based on extensive research, each Med-Master® product was designed to meet end-user needs – from locking options to interior design.

**Durable Steel Construction**  
maximizes security and longevity

**Transport Handle**  
makes transportation convenient and easy

**Easy Mount Holes** allow for secure placement—  
even in corners (hardware included)

**Interior Shelf** provides flexible storage and  
accommodates most bottle sizes

**LED Magnifier** with 10x lighted magnification for  
easy label identification

**Reminder Kit** provides space to record  
important reminders and notes with magnetic  
dry erase pad and pen

**Hidden Hinge** for  
tamper-resistant security

**Dishwasher-Safe Pill Tray** for easy sorting  
and pouring

**90° Opening Door** provides a  
stable surface to sort and manage  
medication

**(Deluxe Steel Medication Case Item No. 201905806)**

**Programmable Combination Lock** offers keyless  
security with oversized, easy to read numbers

## Prescription Drug Abuse is a National Epidemic

**Are Your  
Pills Safe?**

More than  
**6 MILLION  
AMERICANS**

*age 12 and older have taken a prescription  
pain reliever, tranquilizer, sedative or  
stimulant for non-medical reasons in the  
past month.*

**EVERY 15 MINUTES LEADING CAUSE**

*one American dies from an unintentional  
drug overdose—most due to  
prescription drugs.*

*of accidental death  
in the U.S. is unintentional  
drug overdoses.*
