Organic Applewood Smoked Bacon

Locally Sourced Ingredients

Our Uncured Organic Applewood Smoked Bacon start as a lean pork belly that is carefully selected from Canadian family farms and hand-trimmed by our butchers to exacting specifications. The slabs are marinated in a dark maple syrup brine, and double smoked to create hearty bacon that is more boldly flavorful than you'd expect. Our Applewood Smoked Uncured Bacon has received national acclaim from the *New York Times*, *Saveur Magazine* & *Yankee Magazine*, having been properly named 'America's Best Bacon'.
