

# Accessories

## Paper Towel Dispenser

- Keep your customers well-supplied with clean paper towels. Each PolyJohn Paper Towel Dispenser holds 250 standard sheets of paper, or a roll of paper towels, and can be either wall or post mounted.

**Part No. TD04-1000**

## Soap Dispenser

- Our completely sealed soap dispenser will not spill even if you tip it completely upside down. With O-ring and lid that secures to the container and backing plate you will never have this falling off or spilling your soap. This dispenser has easy one hand operation with clear container to view soap level.

**Part No. PSD1-1000**

## Foam Dispenser

- The Foam Hand Sanitizer Dispenser is designed for foam refills, mounts easily to side walls, and comes pre-assembled. Additionally, foam stays on the users hand whereas gel or liquid often slides off and becomes a messy waste further increasing usage.

**Part No. FDI-1000**

## The PJN3 Sink

- The PJN3 Sink is the perfect add-on to any PJN3 portable toilet. Anti-bacterial hand creams and foams are convenient, but they cannot match the sanitary effectiveness of using the hands-free foot operated pump to wash hands with soap and water in the PJN3 Sink.

**Part No. PSN1-1000**

## Fleet Sink

- The slim, economical Fleet Sink is the perfect add-on to any Fleet portable toilet. The Fleet saves on fresh water capacity, but doesn't skimp on proper soap and water sanitation, so it's a better choice than anti-bacterial hand creams and foams.

**Part No. FS3-0026**

## Hand Sanitizer Gel Dispenser

- Our Hand Sanitizer Gel Dispensers fights dirt and germs when water is not available. These dispensers are unaffected by extreme temperatures and ideal for cold weather wash-ups.

**Part No. CK01-0164**

## Toilet Paper Dispenser

- The PolyJohn Toilet Paper Dispenser is designed to fit standard rolls as well as our University Roll toilet paper. Locking kit is available. Shipped pre-assembled.

**Part No. PC-000204**

## Urinal

- The PJN3-0009 Urinal features smooth, easy to clean surfaces with a basin that is capable of holding up to 5 lbs. of brine salt for winter use.

**Part No. PJN3-0009**
