REGENCY NSF CHROME WIRE SHELVING

Regency Space Solutions is your source for quality, affordable wire shelving. Offering a large selection of NSF Listed wire shelves and posts, Regency Space Solutions gives you the freedom to create the perfect shelving unit at the perfect price.

Chrome Plated Wire Shelving

Chrome plated wire shelving is ideal for use in areas in which moisture is at a minimum, including:

- Dry storage
- Garage storage
- Personal storage
- Heated environments
- Warehouse use
- Retail

Quick Assembly

Regency Space Solutions' NSF Listed wire shelving is easy to assemble using split sleeves. Simply snap two split sleeves around each wire post to keep shelves level every time. Use the incrementally notched lines to help you install a level shelf. Each wire shelf comes complete with (4) pairs of split sleeves (eight total split sleeves).

Air Flow

Wire shelving offers unparalleled air flow between and around products thanks to its wire design.

Versatility

Regency Space Solutions' wire shelving offers the rigidity of solid metal with the adjustability of plastic. No tools or hardware required. Simply move the split sleeves up or down the posts for quick, efficient change.

Weight Capacity

- Each shelf up to 48" in length: 600 lbs.
- Longer shelves above 54" in length: 450 lbs.

Wire Shelves

These chrome wire shelves are for use only in dry storage and heated environments. They're made of a durable, chrome plated metal, with a clear epoxy coating.

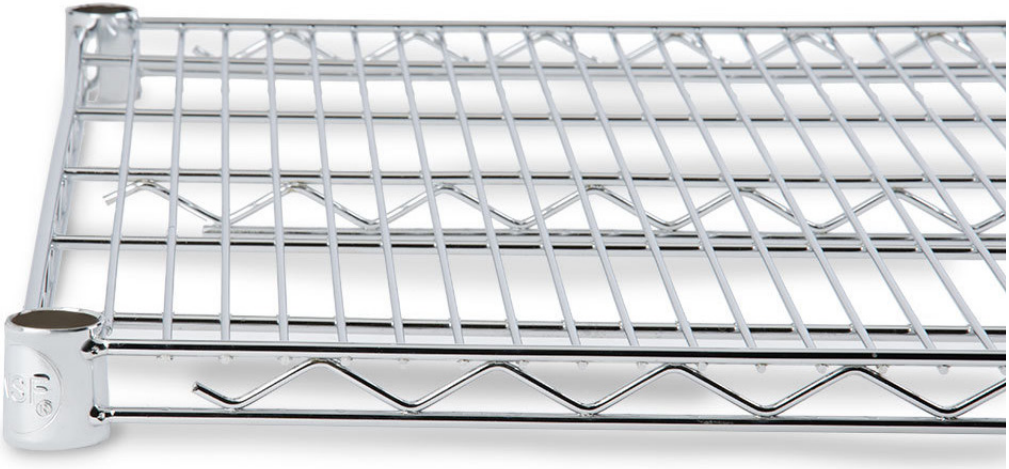

When combined with additional shelves, posts, and accessories (sold separately), these Regency epoxy-coated chrome wire shelves are capable of holding up to 600 pounds of evenly distributed weight.

- May be used with Regency posts, casters, and handles.
- Chrome plated wire with clear epoxy coating
