

BRUTE STANDARD ROLLOUT

BRUTE Rollouts are ideal for collecting, consolidating, and transporting facility waste. Commercial-grade construction from high-quality materials and heavy-duty wheels withstand the rigors of everyday waste collection indoors and outdoors.

Features and Benefits:

- Heavy-duty wheels with high-performance treads are optimized for use indoors and outdoors
- Reinforced rim for superior structural integrity and robust lid designed for added strength
- Rollout lids open fully and stay in place to prevent swinging during transport
- Compliant with ANSI Standard Z245.60 (Types B and G) for compatibility with auto-lifters
- Smooth contours and seamless construction make cleaning easier and quicker, to improve staff productivity
- Designed with an ergonomic handle for comfortable push or pull operation

BRUTE ROLLOUT WITH CASTERS

BRUTE Rollouts with Casters are ideal for collecting, consolidating, and transporting heavy facility waste. Front swivel casters distribute weight evenly for superior mobility and handling.

Features and Benefits:

- Heavy-duty wheels with high-performance treads are optimized for use indoors and outdoors
- Reinforced rim for superior structural integrity and robust lid designed for added strength
- Rollout lids open fully and stay in place to prevent swinging during transport
- Compliant with ANSI Standard Z245.60 (Types B and G) for compatibility with auto-lifters
- Smooth contours and seamless construction make cleaning easier and quicker, to improve staff productivity
- Designed with an ergonomic handle for comfortable push or pull operation
- High-quality materials plus a UV inhibitor extend the life of the container
- Swivel casters at the front of the container allow for more controlled use

BRUTE MEDICAL WASTE ROLLOUT WITH CASTERS

BRUTE Medical Waste Rollouts with Casters are designed for use in the healthcare industry. Locking lids keep regulated medical waste secure, smooth contours make cleaning easier, and front swivel casters enable balanced maneuverability.

Features and Benefits:

- Heavy-duty wheels with high-performance treads are optimized for use indoors and outdoors
- Reinforced rim for superior structural integrity and robust lid designed for added strength
- Rollout lids open fully and stay in place to prevent swinging during transport
- Compliant with ANSI Standard Z245.60 (Types B and G) for compatibility with auto-lifters
- Smooth contours and seamless construction make cleaning easier and quicker, to improve staff productivity
- Designed with an ergonomic handle for comfortable push or pull operation
- Locking lid with key allows for secure transportation of medical waste
- Swivel casters at the front of the container distribute weight evenly and allow for more controlled use

BRUTE STEP-ON ROLLOUT

BRUTE Step-On Rollouts are designed to make managing facility waste easier. With one step, the container's step-on mechanism lifts the lid and allows for hands-free waste disposal.

Features and Benefits:

- Heavy-duty wheels with high-performance treads are optimized for use indoors and outdoors
- Reinforced rim for superior structural integrity and robust lid designed for added strength
- Rollout lids open fully and stay in place to prevent swinging during transport
- Compliant with ANSI Standard Z245.60 (Types B and G) for compatibility with auto-lifters
- Smooth contours and seamless construction make cleaning easier and quicker, to improve staff productivity
- Designed with an ergonomic handle for comfortable push or pull operation
- High-quality materials plus a UV inhibitor extend the life of the container
- BRUTE Step-On Rollouts have a pedal-actuated lid for hands-free use
