

HERE TO WORK™

POST SAFETY MESSAGES WITH REMOVABLE LABEL SIGNS

REMOVABLE LABEL SAFETY SIGNS

Blank adhesive signs you can customize and print on-site using your laser or inkjet printer. Surface Safe® adhesive sticks securely, removes cleanly.

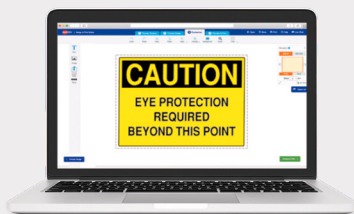

- ✓ Durable, Waterproof, Chemical and Tear Resistant
- ✓ Use hundreds of templates to customize for many purposes
- ✓ For indoor use on walls, doors, glass, stainless steel and more

TO LEARN MORE AND CREATE YOUR OWN SIGNS, VISIT [AVERY.COM/SIGNS](https://avery.com/signs)

The Surface Safe adhesive is engineered to stick strong and remove cleanly from painted walls, drywall, metal and glass without any residue damage to surfaces. Made of durable, professional grade material, the signs resist water, chemicals and abrasion, and hold up to wear and tear in warehouses and on the manufacturing floor. Optimized for laser and inkjet printers-no specialized printer needed.

AVERY NO.	DESCRIPTION	LABEL SIZE	LABELS/SHEET	SHEETS/UOM	QTY.
