life is messy

Our touchless sensor pump makes it easy to clean up without leaving germs, grease or smudges.

no-drip valve

Flexible silicone valve snaps shut to create a seal preventing messy drips.

speed dispense

Our high-efficiency pump dispenses soap in just 0.2 seconds.

precise sensing

The sensor has a precise trigger zone for accurate, high-speed activation.

volume control

Easy-access control buttons allows for instant volume adjustment.

no messy spills

Wide opening makes refills fast, easy, and spill-free.

simplehuman soap

Designed to be the optimum consistency for our sensor pumps, our soap comes in convenient 34 fl. oz. refill pouches.

perfect for hand sanitizer

Our soap pump can also be used with hand sanitizer as well as soap.
