

Artisan Crafted Smoked Meats and Cheeses Since 1912

Uncured Sugar-Free Smoked Bacon

Simple Sweetness

The hand-crafted, meaty flavor and natural wood smoked scent of our sugar-free, Paleo bacon is bolder than one might expect. All of our wood smoked bacons start as lean pork bellies that are carefully selected from Canadian family-farms, and hand-trimmed by our butchers to exacting specifications. This sugar-free bacon offers the best of both worlds for health conscious consumers, without sacrificing flavor.

Certified Humane & Organic

At North Country Smokehouse, we do the right thing. Our Certified Humane and Organic smoked meats appeal to consumers growing demands for humanely-raised food and high quality standards; meaning better choices at the table.
