

# Tilt Trucks

## Transport Loads with Ease

Carlisle's new tilt trucks provide efficient, industrial-strength construction enabling transportation of loads up to 1,200 lbs. Our tilt trucks can be easily maneuvered by one person. We offer a hinged lid to cover waste or materials when stored.

## Benefits

### Ease of Movement

Push, pull, rotate with non-marking, swivel casters

### Lids

Available for each size

### Strong

Powder coated, steel wheel frame; industrial thickness

### Environmentally Friendly

70% recycled material

Lightweight, durable,  
rotationally molded design  
improves maneuverability

5/8 Yard easily fits  
through standard  
doorways and elevators

Meets EPA recommended  
recovered materials content  
levels for office recycling  
containers and waste  
receptacles and is perfect  
for specifying on school and  
government agency bids

Hardware kit and  
replacement wheels  
available

Non-marking, swivel casters  
allow for easy transportation
