

Redefining Healthcare Food Service

With Alluserv you are not just buying a product. You are receiving our team's service commitment to get the most value from your investment in our products. We will provide you with:

- A team of knowledgeable experts with over 100 years of combined experience to help you understand and receive the most from your product throughout its service life
- Detailed instructions and specification on cleaning and application to best maintain your equipment
- A national service network and service manuals for our extensive product offering.

VALUE TRAY CART

APPLICATION

The Alluserv value line tray cart is ideal for any tray delivery operation. This unit is designed for easy maneuvering and cleaning, making your operation as simple as possible.

CONSTRUCTION

The carts body is available in .063" aluminum or 18-gauge stainless steel. It is a single door design with a full length hinge and heavy duty stainless steel gravity latch. The door is made of .090" aluminum or 16-gauge stainless steel and opens 270° to lay against the side of the cart. The contour seamless tray slides are easily removable for better cleaning and have 5" spacing. Available for tray sizes 15"x20" or 14"x18". The base is made of .125 aluminum, or 14-gauge stainless steel. Dual, vertical, push handles are mounted on the rear of the cart. The exterior base has a full perimeter bumper. Casters, 2-fixed and 2 swivel with brakes, have a 6" diameter and are 2" rounded with soft tread to ensure a smooth and quite ride for carpet or tile.
