About Spirit® Products by WNA

WNA is a leading designer and domestic manufacturer of an expansive line of plastic disposable tableware and packaging products; including Spirit® solid stirrers, picks and specialty utensils. From classic products to customized solutions, Spirit® offerings add that special touch to food and beverage presentation to elevate the customer experience, help businesses express their distinctive style, and portray an upscale image.

Spirit® brand products are used in restaurants, hotels, casinos, nightclubs, bars, cruise ship lines, country clubs and other markets such as advertising specialty and retail. Select from our wide variety of standard products or choose to go the custom route, where our experts will design and produce a unique item made just for you!

Whatever the function, for any type of venue, you'll find a style for every taste with Spirit® products.

CUSTOM MOLDED PRODUCTS

Custom molded and designed Spirit® products from WNA are the answer for businesses seeking a truly unique solution to complement food and beverage offerings or satisfy advertising needs.

We offer a multi-faceted approach to envelop a project from Concept to Completion®. Whether developing a cocktail accessory or specialty utensil, our team are experts at designing custom products to meet specific requirements; from one-of-a-kind shapes to custom colors, essentially produced from any idea, character, theme or logo.

This manufacturing capability delivers specialized products which are a great value for marketing promotions and new product introductions, while proudly being made in the USA. You'll find our custom designed products gracing beverages and foodservice offerings everywhere from white tablecloth establishments to national chain restaurants across the nation.

People love custom swizzle sticks and often keep them as a memento of a special place or occasion.

Printable Beverage Stirrers – Standard Shapes

Advertise your establishment, create a special promotion, and increase brand awareness with custom printed Spirit® drink stirrers from WNA. In addition to the functional aspects, customized stirrers promote your business in a fun and cost-effective way. A diverse selection of shapes and plastic colors are available to accommodate most all logos and messages.

Printable Food & Beverage Picks – Standard Shapes

Custom printed picks perform like mini billboards by advertising business brands, new menu items and special events. They're ideal for spotlighting an establishment and featuring signature cocktails or gourmet burgers. Our offerings include garnish/sandwich picks in a variety of lengths and shapes to satisfy customer needs. Printable picks are also suitable for highlighting particular food and beverage ingredients or restrictions.

Try a standard item in a special color for a dramatic effect.

Standard Food & Beverage Picks

Functional and stylish Spirit® picks are used for both food and beverage applications. Upscale drink presentations and get creative with cocktail garnishes to delight patrons. Try taller picks for presenting fruits and olives across the rim of the glass or for stacked sandwiches and hefty burgers.
