1 Year Limited Replacement Warranty

Unless otherwise stated, Galaxy Equipment warrants to the original purchaser of new, qualified Galaxy Equipment units (and all parts thereof), that such equipment will be free from defects in material and workmanship for a period of 1 year from the date of delivery.

If a qualified product is found to be defective during this period, Galaxy Equipment will repair the defective unit, replace any defective parts, or replace the defective unit.

What This Warranty Does Not Cover:

Galaxy Equipment will not warrant coverage for component failure or other damages that arise under the following conditions:

- Failure to install and/or use the unit within proper operating conditions specified by Galaxy Equipment. This includes installation in any and all outdoor or mobile applications.
- Failure to properly maintain the unit. This includes, but is not limited to, basic preventative maintenance such as cleaning the condenser coil.
- Products sold or used outside of the Continental United States.

Additionally, no claims can be made against this warranty for spoilage of product, loss of sales or profits, or any other consequential damages. Normal wear type parts, such as light bulbs and gaskets, are not included in warranty coverage.
